S y D: de 10:00 a 13:00 h.

OUR HISTORY

In 1958, in the vibrant heart of Madrid, Batela was born on Silva Street, 23, a few meters from La Gran Vía and Callao metro. Inspired by the emblematic BATELA that adorns our façade, symbol of authenticity and excellence, we established a solid commitment to quality and tradition. The bate-la, an historic boat, reflects our passion for taking on a gastronomic adventure with integrity and dedication
